

Children's Sport Entertainment On Your Special Day

When planning your wedding, do you worry how you'll keep the children entertained? Factually it's one of the top concerns/stresses for any newly engaged couple. Typically many invest time and money preparing activity packs which are no doubt left behind at the end of the night, and renting outdoor games which rarely keep them amused. I can personally relate to this, having recently got married myself. This is what gave me the 'light bulb moment' of launching our wedding packages and ultimately, giving the happy couple one less thing to worry about.

Est. in 2016, GC Sports Ltd are an established multi sports provider embedded in schools, nurseries, children's centres and pre schools across Hertfordshire, Essex and North London. Our GC Sports coaching team hold a wide range of sporting qualifications including age specific awards. Every member of the team has an enhanced DBS check and are First Aid Trained. The team, led by Head Coach and Company Director, Gary Caslake, specialise in providing activities for children 3yrs and over and can comfortably ratio 25 children to one coach.

No wedding is too large or too small. We can tailor our service to meet your requirements. Let us take away your stresses to enable you (and the parents!) to enjoy your special day.
